

SHADE TREE COMMITTEE MINUTES

July 8, 2014

The meeting was called to order at 7:36 p.m. Committee members present were Steve Zaikowski, Charlie Parke and Rob Sikorski.

OLD BUSINESS

Arbor Day Bare Root Tree Planting

Charlie re-inspected the trees and advised 11 trees are defoliated and may be dead or in a state of dormancy. Steve will also evaluate the health of these trees.

Community Forestry Management Plan for 2015-2019

Rob will provide edits to the plan for review at the next meeting.

Estates at Long Valley – Toll Bros.

Steve inspected the replacement planting and advised the contractor of additional work required and also requested that two damaged Hemlock trees at the site be replaced with a Spruce. Steve granted a waiver for planting an 8'-10' Spruce in lieu of a 10'-12' Spruce. Steve will conduct a final inspection once advised that all work is complete.

Wellington Drive near Naughtright Road

An anonymous person left a phone message on 5/27 to report a diseased tree near this location. Steve will further inspect the trees in this vicinity.

Marcos Leite - 199 Drakestown Road

Steve advised the matter has been addressed by the DPW.

Michael Eckrich – 16 Parkview Road

Steve advised the matter has been addressed by the DPW.

NEW BUSINESS

Steve advised the Committee that information on a disease now affecting Boxwoods can be found at the Saunders Bros. Nurseries website

The meeting was adjourned at 7:56 p.m.

NEXT MEETING

The August meeting will be held on Tuesday, August 12, 2014.

Respectfully submitted,

Rob Sikorski for Jan Godek
