

## SHADE TREE COMMITTEE MINUTES

July 10, 2013

The meeting was called to order at 7:33 p.m. Committee members present were Steve Zaikowski, Jan Godek and Rob Sikorski.

### OLD BUSINESS

#### 2013 Community Bare Root Tree Planting

There was \$1,500 budgeted for the planting plus \$60 received from sixth grade students at Long Valley Middle School. We submitted \$1,105.68 in receipts (trees, mulch, Terra-Sorb and pipe fittings for water tanks) on June 19, 2013. We did not have to purchase Arbor-Ties as they were purchased last year. With the cost of the Arbor-Ties, total expenses would be approximately \$1,200. We will consider another project for thirty trees for next year.

### NEW BUSINESS

#### Washington Township Library - Alan Little Memorial Tree

The second Copper Beech tree has died. Steve recalled the Library paid for the second tree but was not certain who had paid for the first one. He will look for another tree.

#### 2 Steeplechase Way

In response to a dead trees report, Roger Read inspected the crabapples. The trees are okay and he recommended they not be removed.

#### Community Forestry Management Plan

Steve will speak to Nina about removing Dianne Gallets from and adding Roger Read to the list of CORE-trained people.

The meeting was adjourned at 7:55 p.m.

### NEXT MEETING

The August meeting will be held on Tuesday, August 13, 2013.

Respectfully submitted,

***Jan Godek***
